

Leading Technology, **Tailored To You.**

YourSharp™

Sharp's business product line embodies **cutting-edge technology in award-winning copiers, printers, networked MFPs, interactive white boards, and LCD digital signage monitors.** It encompasses an array of options, features, and capacities to suit companies of all sizes.

YourSharp™ – We're passionate about helping you get **the most from your Sharp products**, so we're thrilled to offer the first **completely customized online support and training website in Canada.**

Through your own unique **YourSharp™** URL, you can **access step-by-step how-to guides** for your specific Sharp products. Need to know how to print double-sided? Route faxes to email? Change toners? It's all there, **24 hours a day** on your personalized **YourSharp™** website.

Also available in **YourSharp™**, is information about our **complimentary industry partnerships** that also give you **access to advanced mailing solutions, scanning solutions, IT Services, and more.** Whether you're setting up a new workspace or upgrading your current equipment, this information will **inspire the perfect solution for your business needs.**

SHARP

thesharpxperience.com

your advantage...

Being **the first to know...** the **changer of the game...** the **finder of solutions.** It gives **you and your business an edge.**

We get it. That's why we feature all of **Sharp's latest breakthroughs**, like MobilePrint, High Production Colour, and the incredible 80" Interactive Whiteboard, on **YourSharp™**. It's **game-changing technology** you won't find anywhere else. And now you can **access it all in one place.** On one page. In record time.

your promotions...

Sharp's **continually changing lineup of promotions** means that there's always a **great deal available** on a wide range of products, from **special leasing opportunities** to **pricing incentives** and more.

Want to upgrade your equipment? Get out of a competitor's lease? **We can make it happen.** And with **our promotions for both new and existing clients**, it just makes sense.

Our latest offers are available on **YourSharp™**, where you can also register for updates. Why miss an opportunity to make a great partnership even better?

your employees...

Partnering with Sharp benefits more than your bottom line. **It benefits your people, too.**

YourSharp™ demonstrations **cover a broad range of product features**, from basic fundamentals, such as changing toner, to more advanced features, such as **email Destination Management.** Demonstrations are available for viewing as a flash file or as a downloadable PDF.

Instant Support. Simplify work life with **YourSharp™**. With this unique service, it's never been **easier to get the return on your technology investment.**

Technology Solutions. Access information regarding innovative technology solutions available from Sharp that **improve your day-to-day work flows, saving you time and money.**

your personalized...

Sharp B2B Portal. Via the **YourSharp™** page, access your **personalized Sharp B2B Portal** that **connects you to up-to-the-minute information** about every networked Sharp device in your fleet. Just log in, select one or more devices, and with a couple of clicks you can request service calls and supplies, monitor the status of your requests, submit or receive meter readings, download historical summary reports, and view invoices to track costs.

your invitation...

Every month, we throw open the doors of our head office and **host an open house.** It's a chance to **meet the entire Sharp team face to face**, from project managers to software specialists, and **have all your questions answered.** Tour our facility, experience our latest technology, and enjoy lunch on us.

But our **open house** isn't just a chance to get to know us better. It's also a chance to win some great prizes and get access to special one-day pricing. It's our way of saying, **"Welcome to The Sharp Experience!"**

the **SHARP** experience
